

Response to the MMO from the Environment Agency

Dear Sir/Madam

Application (Aggregate Dredging) Goodwin Sands Aggregate Dredging Scheme TR 44836 51431 Goodwin Sands, Goodwin Sands, off the Kent Coast Thank you for consulting us on the above.

We have reviewed the environmental statement and accompanying Water Framework Directive (WFD) assessment. We concur with the WFD assessment that the activity will comply with the Water Framework Directive, and we therefore have no objections based on predicted water quality.

DECISION NOTICE: Please forward a copy of the full decision notice to this office, quoting our reference number. Yours faithfully
